It is recommended that the data herein presented be given formal consideration by the Board of County Commissioners (BCC).

DESCRIPTION AND CONDITIONS:

The BCC has entered into several agreements with law enforcement officials to allow them to locate mobile homes at various park sites in return for providing park security. The Parks and Recreation Department desires to continue this program at John S. Burks Memorial Park to deter vandalism.

Although it is impossible to place a dollar amount on the reduction of vandalism, the Parks and Recreation Department feels the placement of a trailer on site has been worth the cost of utilities (electric), at 50 percent of the monthly cost—approximately \$80.00. The BCC approved an agreement with Deputy Peter Robbins on November 5, 2008. Deputy Robbins has sold his trailer to Deputy Raymer and would like to move in upon the approval of the BCC.

Deputy Raymer wishes to enter into an on-site security agreement and to continue park security at John S. Burks Memorial Park.

ALTERNATIVES AND ANALYSIS:

1. Approve the agreement with Deputy Scott Raymer.
2. Deny the agreement with Deputy Scott Raymer, leaving the park site without additional park security.

RECOMMENDATION AND FUNDING:

The Parks and Recreation Department recommends that the BCC approve Alternative No. 1, authorize the Chairman to execute the three original agreements provided, and direct the Board Records Department to distribute as follows: one to be retained by the Board Records Department and the remaining originals to be returned to the Parks and Recreation Department, Land O' Lakes, for distribution.

Funding for the monthly utilities is budgeted in the department's utility Account No. B001-644000-34301.
