Paul,

Last night, the Beacon Woods Civic Association agreed to send a letter of no-objection the FDOT AMRC decision from May 26, 2010. Therefore, on behalf of Wal-Mart Stores East, L.P., KHA is requesting to withdraw permit application IIPR05-01 Amendment.

Please give me a call if you need further information.

This will confirm that last night, June 9, Beacon Woods Civic Association Board voted unanimously that they do not object to the FDOT/AMRC action of May 26, 2010, removing the condition from the access permit requiring Wal-Mart install a left turn into Wal-Mart from Beacon Woods Drive.
