**FLORIDA TRENCH SAFETY ACT  
CERTIFICATION AND DISCLOSURE STATEMENT (MANDATORY)**

The undersigned acknowledges the requirements of the Florida Trench Safety Act and hereby certifies that the undersigned is an authorized representative of the bidder and in that capacity commits the bidder to the following in the performance of the work in the event that the subject contract is awarded to and executed by said bidder.

1. The bidder acknowledges the Florida Trench Safety Act and the requirements established herein.
2. The bidder further acknowledges that the aforementioned Act established the Federal excavation safety standards set forth at 29 CFR Part 1926.650, Subpart P as the interim State standard until such time as the State of Florida, through its Department of Labor and Employment Security, or any successor agency, adopts, updates or reviews said interim standard. This State of Florida standard may be supplemented by special shoring requirements established by the State of Florida or any of its political subdivisions.
3. The bidder, as Contractor, shall comply with all applicable excavation/trench safety standards.
4. The Contractor shall consider the geotechnical information available from the County, its own sources and all other relevant information in its design of the trench safety system it will employ on the subject project. The Contractor acknowledges that it is *solely responsible* for the selection of the data on which it relies in designing said safety system, as well as for the system itself.
5. The amount the bidder has set forth in Item 6 of page BP-2 includes the following excavation/trench safety measures and the linear feet of trench excavated under each safety measure. These units, cost and the unit prices inferred shall be disclosed solely for the purpose of compliance with the procedural requirements of the aforementioned Act. No adjustment to the Contract Time or Price shall be made for any difference in the number of linear feet of trench excavation, except as may otherwise be provided in these Contract Documents.

Trench Safety Measure (Description)	Unit (Qty)	Unit of Measure (LF,SY)	Unit Cost	Extended Cost
A. _____	_____	_____	\$ _____	\$ _____
B. _____	_____	_____	\$ _____	\$ _____
C. _____	_____	_____	\$ _____	\$ _____
D. _____	_____	_____	\$ _____	\$ _____
			<b>TOTAL</b>	\$ _____

The TOTAL above must be identical to cost shown in Item 6 on page BP-2. (Use additional blank sheets to further itemize if more room is required.)

6. This amount disclosed as the cost of compliance with the applicable trench safety requirement does *not* constitute the extent of the Contractor's obligation to comply with said standards. Contractor shall expend additional sums, at no additional cost to the County (except as may otherwise be provided), which are necessary to so comply.
7. Acceptance of the bid to which this certification and disclosure applies in no way represents that the County or its representatives has evaluated and thereby determined that the above costs are adequate to comply with the applicable trench safety requirements nor does it in any way relieve the bidder, as Contractor, of its sole responsibility to comply with the applicable trench safety requirements.

PASCO COUNTY MAY RELY ON THIS INFORMATION IN AWARDING THE CONTRACT FOR THIS PROJECT, THEREFORE, ANY MATERIALLY FALSE, MISLEADING, OR INCOMPLETE INFORMATION SUBMITTED BY A BIDDER MAY BE GROUNDS FOR REJECTION OF A BID OR REVOCATION OF AN AWARDED BID IF THE MATERIAL FALSITY, MISLEADING NATURE, OR INCOMPLETENESS OF THE INFORMATION SUBMITTED IS DISCOVERED BEFORE BOARD APPROVAL OF THE CONTRACT, OR FOR THE TERMINATION OF THE CONTRACT FOR CAUSE IF DISCOVERED AFTER BOARD APPROVAL OF THE CONTRACT.** Any questions concerning the requested information may be directed to the Pasco County Purchasing Director.

## PART IV

### AGREEMENT

THIS AGREEMENT is made and entered into by and between the BOARD OF COUNTY COMMISSIONERS OF PASCO COUNTY, FLORIDA, hereinafter called COUNTY, and \_\_\_\_\_, hereinafter called the CONTRACTOR, whose business address is \_\_\_\_\_.

WITNESSETH THAT:

In consideration of the mutual covenants and provisions contained herein, the parties hereto agree as follows:

1. The CONTRACTOR shall provide to the COUNTY, within the Contract Time, all labor, materials, and appurtenances thereto per the requirements set forth in the Contract Documents for:

**PAVING ASSESSMENT 4**  
**Various Sites (County Wide)**  
**(Foxwood, Foggy Ridge Parkway, Leonard Road, Ardsley Lane,**  
**Lakewood Estates, Valley View Estates, Veterans Village Part 4,**  
**Sea Forest, Cranbrook Place, Virginia City and Dixie Grove Estates)**

**Bid No. 07-169**

2. The CONTRACTOR shall complete the Work to be performed under this Agreement within **180** calendar days (the initial Contract Time) from the date of the Notice To Proceed issued by the COUNTY.
3. In addition to the number of calendar days specified for the initial Contract Time in the preceding paragraph, **90** calendar days have been included in the overall Contract Time for allocation to the CONTRACTOR for performance of Allowance Work in accordance with the Allowances provision of the Contract Documents.
4. ***Time is of the essence of this Agreement.*** Timely completion of the Work after the issuance of the aforesaid Notice to Proceed is of central importance to the COUNTY. This Project has certain various critical milestones to be met. The Special Conditions detail the Milestone Date(s) to which the CONTRACTOR must strictly adhere.
5. ***Liquidated damages shall apply to compensate for delays.*** The parties acknowledge and agree that the damages to the COUNTY associated with any delay in completion of the Project are not readily ascertainable as of the time of execution of this Agreement, and concur that the sum of **\$3,500.00 per diem** bears a reasonable relationship to

the actual damages which the COUNTY would suffer as a consequence of any such delay in completion of the Work. The parties agree that such sums are reasonable and would not constitute a penalty against the CONTRACTOR. In arriving at these sums, consideration has been given to the loss to the public of the use of the project due to delay, the additional administrative costs caused by any delay, higher labor and material costs associated with delay, risks associated with litigation from delay, and other factors. Failure to complete the Work by any Milestone Date(s) set forth in the agreed upon Work Schedule or in this Contract, up to and including that for Final Completion, therefore, shall entitle the COUNTY to deduct these sums from the Contract Price for each day of delay in meeting each such Milestone Date. The amounts of Liquidated Damages for individual Milestone Dates are additive for each day of delay they are concurrently in effect.

6. This Agreement includes and incorporates by reference all Contract Documents, as the term Contract Documents is defined within Article 1 of the General Conditions found in Conditions of the Contract (Part II).

7. The total Contract Price for the full and complete performance by Contractor of all Work required by the Contract Documents shall not exceed \$\_\_\_\_\_ unless otherwise modified as provided herein. The total Contract Price includes \$50.00 for Indemnification, \$\_\_\_\_\_ for Allowances, and \$0.00 for Alternates. Payment shall be made not more often than once per month and in accordance with the Contract Documents.

8. During the performance of this Agreement, the CONTRACTOR herein assures the COUNTY that said CONTRACTOR is in compliance with Title VII of the 1964 Civil Rights Act, as amended, and The Florida Civil Rights Act of 1992 in that the CONTRACTOR does not on the grounds of race, color, national origin, religion, sex, age, handicap or marital status, discriminate in any form or manner against the employees of the CONTRACTOR or its applicants for employment. The CONTRACTOR understands and agrees that this Agreement is conditioned upon the veracity of this Statement of Assurance. Furthermore, the CONTRACTOR herein assures the COUNTY that said CONTRACTOR shall comply with Title VI of the Civil Rights Act of 1964 when any Federal grant is involved. Other applicable Federal and State laws, executive orders and regulations prohibiting the type of discrimination as hereinabove delineated are included by this reference thereto. This Statement of Assurance shall be interpreted to include Vietnam Era Veterans and Disabled Veterans within its protective range of applicability.

9. The CONTRACTOR shall furnish to the COUNTY (when and in the manner required by the Contract Documents) all appropriate Certificates of Insurance, and a Performance Bond and/or Payment Bond for the Contract Price within ten (10) days following Notification of Award.

10. The COUNTY and the CONTRACTOR acknowledge the acceptance from the Bid Proposal (Part III) of the following Alternate(s).

No. <u>N/A</u>	No. _____	No. _____	No. _____
No. _____	No. _____	No. _____	No. _____

The COUNTY and the CONTRACTOR acknowledge that the corresponding price as shown in the Bid Proposal (Part III) for each accepted Alternate is incorporated in the amount of compensation specified in paragraph 4 above.

11. The COUNTY and the CONTRACTOR acknowledge that all addendums issued with respect to this Project are herein incorporated into the list of Contract Documents listed in Article 1, Part II and made a part of this Agreement.

12. The funding required for this Project is contingent upon the availability of County funds and the appropriation of such funds by the Board of County Commissioners.

13. This Agreement and any changes thereto constitute the entire agreement between CONTRACTOR and COUNTY relating to the Work. There are no previous or contemporary representations or warranties of COUNTY or CONTRACTOR not set forth or referenced in the Contract Documents.

14. Except as specifically provided herein, no modification, waiver, termination, rescission, discharge, or cancellation of this Agreement, or of any term thereof, shall be binding on the COUNTY unless in writing and executed by the BOARD.

15. Waiver by the COUNTY of a breach of any provision of this Agreement by the CONTRACTOR shall not be deemed to be a waiver or any other breach and shall not be construed to be a modification of the terms of this Agreement.

16. No modification, waiver, termination, discharge, or cancellation of the Agreement or of any terms thereof shall impair the rights of the COUNTY with respect to any liabilities, whether or not liquidated, of the CONTRACTOR to the COUNTY theretofore accrued.

17. The duties and obligations imposed upon the CONTRACTOR by this Agreement and the rights and remedies available hereunder, shall be in addition, and not limited, to any otherwise imposed or available in law or in equity, whether by statute, special guarantee, or otherwise.

18. The CONTRACTOR shall at all times remain an independent contractor and shall have no power, nor shall the CONTRACTOR represent that the CONTRACTOR has any power, to bind COUNTY or to assume or to create any obligation expressed or implied on behalf of the COUNTY.

19. This Agreement shall be binding upon and its benefits and advantages shall inure to the heirs, personal representatives, successors and assigns of the parties hereto.

20.
